

## **The Ellen Clark Revelle Scholarship The “Nellie”**

Scripps College is pleased to offer the “Nellie,” an innovative and transformative scholarship honoring the alumna and former trustee Ellen Clark Revelle ‘31. This scholarship is available to a continuing student who is making excellent academic progress, demonstrates financial need, and who fully engages in leadership activities in the Scripps College community and beyond.

Designated an *Ellen Clark Revelle Scholar*, the recipient of this award will receive an \$800 book stipend as well as a \$5,000 summer internship stipend to pursue further leadership experience. At graduation, the Ellen Clark Revelle Scholarship Fund will repay any packaged amount of need-based loan that the student borrows, up to a maximum of \$14,000.

The Revelle Scholar may also request additional funds for other educationally related expenses, including a laptop computer, two round-trip airfares home annually, and funding for student health insurance. The Ellen Clark Revelle Scholarship is automatically renewable for a maximum of six semesters, assuming the recipient maintains high academic standards and continues to be engaged with the Scripps College community and the community-at-large.
