Scripps College Student Emergency Fund

The Student Emergency Fund provides financial assistance to Scripps students who experience a temporary financial hardship resulting from an emergency or crisis situation. An award will only be paid as a result of an emergency or catastrophic event.

This is a fund of last resort. Students must have exhausted all other possible financial resources before applying for emergency assistance, including student loans and personal financial accounts. Students are strongly encouraged to consult with Financial Aid before applying to the Student Emergency Fund. Prior to granting an award, the Dean of Student’s Office will consult with Scripps Financial Aid Office regarding a student’s eligibility to receive grant assistance. For students eligible, every effort will be made to provide assistance within 24 hours of the request.
